## AMBERGRIS CAY

AMBERGRIS CAY, CARIBBEAN ISLANDS

Ambergris Cay is a private island escape just a short 20 minute flight from Providenciales International Airport. This slice of paradise offers guests endless turquoise waters and starry nights free of urban glare. East of the island is the Grand Turk Passage where conditions are ideal for fishing, whale watching, and wall diving.

Ten one-bedroom suites each offer spectacular beach and ocean views, even from within thanks to windows on three sides. Guests can wake up facing the ocean on their king bed and enjoy custom-designed furniture, Wi-fi, a recessed flat screen TV with international channels, a stocked mini-fridge, a wet bar, and a modern bathroom with double sinks and double rain shower heads.

A wrap around veranda provides outdoor seating, loungers, and a private plunge pool facing the beach. The surrounding landscaped nature features native species of plants and succulents. A stay here comes with complimentary use of the resort's water sports, swimming pool, tennis courts, bicycles, golf cards, spa, and guided excursions.
