CASA AL MARE

LOS CAJUILES, CASA DE CAMPO

Casa Al Mare is an astounding oceanfront villa abounding in palatial luxury and tropical exoticism. Mesmerizing water views abound from the home's unique positioning with its jutting terrain extending into the Caribbean. Close to the residence are Minitas beach and the prestigious Casa de Campo Marina.

The palatial estate ingeniously integrates the beauty of the outdoors into the home via expansive verandas and oversized retractable glass walls that blur the distinction between indoor and outdoor living. Double-height ceilings, wide doorways, and halls imbue the interiors with the prestige of an art gallery. An open floor plan that connects an aesthetically immaculate living and dining room speaks to the home's grandeur. The stunning ephemeral horizon of the Caribbean is brought into the plush living room, refined with natural wood console tables and postmodern sculpture. Casa Al Mare offers six beautifully designed bedrooms comfortably accommodating ten adults and four children. Between 13,000 sq. ft of living space, the home is fully equipped to service large groups, including a sauna, and massage room. The divine master suites on the second level feature tray ceilings, large glass sliding door windows, a balcony overlooking the Caribbean Seas, and an ensuite with a soaking tub and glass shower.

Presenting a private beach club ambiance, the outdoors flaunt stunning pavilions, an extensive veranda, and deck space for soaking in the sun. Glamorous and exotic soaring palms sprout from a lovely stone deck, embracing an infinity pool and jacuzzi.

CASA DE CAMPO

LOS CAJUILES

Casa de Campo, a tropical seaside resort in La Romana on the southeast coast of the Dominican Republic, was developed in the 1970s on 7,000 acres of the area's former sugar mill land. It has turned into one of the world's most prestigious holiday destinations for luxury travelers and one of the country's most affluent communities. Casa de Campo has a modern, 400-berth marina, complete with a shipyard. The marina has played host to the Rolex Farr 40 sailing cup. Surrounding the harbor are more than 70 restaurants, many exclusive shops, bars, and gorgeous homes. What an ideal destination for a luxury vacation!
