LOS CAJUILES, CASA DE CAMPO

Casa Bahia Azul is an exceptional beachfront estate set along the pristine coastline of Casa de Campo, where turquoise waters meet manicured tropical landscapes. Positioned within one of the Caribbean's most prestigious enclaves, the property enjoys a rare sense of privacy while remaining immersed in the natural beauty of palm-lined shores and gentle ocean breezes. The setting is defined by uninterrupted sea views, lush gardens, and a serene atmosphere that reflects the effortless elegance of island living.

The interior unfolds as a dramatic tropical pavilion, thoughtfully designed to balance grandeur with comfort. A striking double-height living room anchors the home, where luxurious living is expressed through soaring ceilings, crystal chandeliers, rich hardwood floors, and bespoke furnishings. Open-air corridors and expansive openings allow natural light to flood the space, blurring the boundaries between indoors and out. The flow continues into refined lounge and dining areas, creating a seamless environment for both relaxed gatherings and elegant entertaining. The kitchen complements the home's refined aesthetic with high-end finishes and a functional layout suited to elevated culinary experiences. Completing the interior are five beautifully appointed bedrooms, each offering vaulted ceilings and tranquil views of either the ocean or the surrounding tropical gardens.

Outdoors, Casa Bahia Azul reveals its full splendor. An infinity-edge swimming pool stretches toward the horizon, framed by sun terraces and shaded lounging areas ideal for enjoying the Caribbean climate. The grounds extend to a private stretch of beach just steps from the villa, offering direct access to the sea. Lush landscaping, thoughtfully designed outdoor living spaces, and panoramic coastal vistas come together to create a truly remarkable oceanfront retreat.
