VILLA ALMIRA

LOS CAJUILES, CASA DE CAMPO

Villa Almira is a scintillating seafront estate brimming with Caribbean glamor and prestige. Lauded as some of Casa de Campo's most coveted properties, this home is prestigiously poised in the acclaimed Punta Minitas neighborhood. A serene tropical oasis awaits, where private coastlines meet the serene lapping of aquamarine waters, and soaring palms shade the midday sun.

Sleek lines and crisp vertices make up a streamlined vision of Island luxury living. Modern vitality and urban glitz meet within exceptionally dynamic and modular spaces conceived for congregating and social spontaneity. Svelte sliding glass doors and wide openings curate a delectable sense of permeability and oneness with the elements. Wondrous interiors present a potent fusion of haute couture elegance and cosmopolitan panache in well-zoned-out, free-flowing common areas. Slick LED lighting pairs with deep urbane accent walls, while a seating arrangement of decadent deep-seated armchairs and sofas open up seamlessly unto the expansive deck space. A glass wine cellar acts as a potent divider between the lounge space and an exquisite kitchen area steeped in Bondian cool. Dazzling gold gilded ring chandeliers add a high fashion inflection to the formal dining area, gleaming precious stone surfaces animated by the ample light. This aesthetically immaculate vacation estate presents six sumptuous ensuite bedrooms. Lavish ensuite baths, awe-inspiring sea views, private balcony, and garden access make up impenetrable oases of rejuvenation for twelve discerning guests. Fantastic amenities include an in-home studio, game room, and office for those with work obligations.

Villa Almira comes to its fullest expression with its marvelous coastal exteriors. Ample deck space and a commanding saltwater swimming pool dominate an immaculately manicured lawn before endless sea panoramas fringed by tropical foliage. A sunken seating and seafront Jacuzzi area are embedded into the rugged rocky shore, a firepit rounding off the ultimate perch to soak in the tranquility of Dominican evenings.

CASA DE CAMPO

LOS CAJUILES

Casa de Campo, a tropical seaside resort in La Romana on the southeast coast of the Dominican Republic, was developed in the 1970s on 7,000 acres of the area's former sugar mill land. It has turned into one of the world's most prestigious holiday destinations for luxury travelers and one of the country's most affluent communities. Casa de Campo has a modern, 400-berth marina, complete with a shipyard. The marina has played host to the Rolex Farr 40 sailing cup. Surrounding the harbor are more than 70 restaurants, many exclusive shops, bars, and gorgeous homes. What an ideal destination for a luxury vacation!
