Its privileged location ensures sweeping views of turquoise waters, while the carefully designed grounds highlight the natural beauty of the Dominican Republic's most exclusive enclave.

The interiors of Villa Mar Azul reflect an elevated approach to luxurious living, with the open-concept living room serving as the heart of the home. Expansive sliding louvered doors seamlessly merge the indoors with the outdoors, allowing gentle sea breezes and natural light to fill the space. The adjoining formal dining area, with seating for fourteen, creates an elegant setting for memorable gatherings, while a charming round breakfast table for eight captures the tranquility of the sea each morning. A thoughtfully designed kitchen complements the space with functionality and refinement, supporting both everyday ease and gourmet experiences. ## CASA DE CAMPO

LOS CAJUILES

Casa de Campo, a tropical seaside resort in La Romana on the southeast coast of the Dominican Republic, was developed in the 1970s on 7,000 acres of the area's former sugar mill land. It has turned into one of the world's most prestigious holiday destinations for luxury travelers and one of the country's most affluent communities. Casa de Campo has a modern, 400-berth marina, complete with a shipyard. The marina has played host to the Rolex Farr 40 sailing cup. Surrounding the harbor are more than 70 restaurants, many exclusive shops, bars, and gorgeous homes. What an ideal destination for a luxury vacation!
