CASA DE CAMPO

LOS CAJUILES

Casa de Campo, a tropical seaside resort in La Romana on the southeast coast of the Dominican Republic, was developed in the 1970s on 7,000 acres of the area's former sugar mill land. It has turned into one of the world's most prestigious holiday destinations for luxury travelers and one of the country's most affluent communities. Casa de Campo has a modern, 400-berth marina, complete with a shipyard. The marina has played host to the Rolex Farr 40 sailing cup. Surrounding the harbor are more than 70 restaurants, many exclusive shops, bars, and gorgeous homes. What an ideal destination for a luxury vacation!
