VILLA SANTORINI

LOS CAJUILES, CASA DE CAMPO

Villa Santorini is a magnificent Caribbean sanctuary in Casa de Campo, an elevated seaside abode where refined design meets the soothing rhythm of the ocean. Framed by lush tropical greenery and endless turquoise horizons, this private retreat captures the essence of relaxed sophistication, offering a rare sense of seclusion while remaining immersed in the natural beauty of the coast. Vaulted ceilings, terracotta floors, and elegant arched corridors create a timeless architectural flow, with every walkway opening onto sweeping views of the sea and gardens.

The interiors unfold with an atmosphere of understated grandeur, curated for luxurious living and effortless comfort. Contemporary pieces blend seamlessly with handcrafted wood details and vibrant Caribbean accents, creating spaces that feel both polished and warmly inviting. The open-air living room is ideal for gathering in style, while the villa's kitchen is thoughtfully designed for everything from leisurely morning rituals to refined dining experiences. Villa Santorini features five beautifully appointed bedrooms, each offering serene tones, custom finishes, and spa-inspired en-suite bathrooms that evoke the tranquility of a private resort. The master suite, with its direct terrace access and ocean panorama, stands as a true retreat within a retreat.

Outdoors, the villa becomes an extraordinary stage for coastal indulgence. A striking circular dining setting overlooks the pool and private beach, complemented by a shaded gazebo and multiple lounging areas nestled among swaying palms. A private staircase descends to a secluded beach cove, while a cliffside lounge delivers breathtaking panoramic views—an exceptional setting for sunset cocktails, moonlit conversations, and unforgettable moments by the Caribbean Sea.
