VILLA SERENITA

LOS CAJUILES, CASA DE CAMPO

Villa Serenita is a charming West Indies Colonial-style retreat set within the gates of Los Cajuiles in Casa De Campo, Dominican Republic. Crisp white pavilions with pointed rooftops rise amid swaying palms, giving the residence an unmistakably tropical, plantation-inspired character. Nestled within the Casa De Campo resort community, guests enjoy easy access to a fitness center, a championship golf course, and an on-site restaurant, all just steps from the villa's private grounds. It's a home that pairs quiet island seclusion with the conveniences of a world-class resort.

Inside, radiant white interiors are brought to life with pops of turquoise and coastal blue, evoking a breezy Caribbean sensibility throughout. The open-plan living room is dressed in crisp white furnishings layered with sky-blue cushions, opening onto covered verandas shaded by palms. A casual dining area flows easily into the open kitchen, ideal for relaxed island-style meals. At the same time, a separate lounge with built-in shelving and island-inspired artwork offers a cozy retreat for downtime. Six bedrooms accommodate up to 12 guests, each individually decorated with playful coastal color palettes ranging from soft neutrals to vivid turquoise, giving every room its own distinct island character. A table tennis setup adds a touch of playful recreation for guests of all ages.

Villa Serenita comes into its own outdoors, where a sparkling pool is framed by a sun-drenched patio and manicured tropical gardens. Sun loungers invite lazy island afternoons, while an al fresco dining terrace makes the most of the balmy Caribbean air. It's a home that captures the carefree charm of Casa De Campo living.
