BOCA CHAVON, CASA DE CAMPO

Villa Vina is a breathtaking seafront luxury residence belonging to the revered resort grounds of Casa de Campo. This flagship residence embodies the ultimate tropical Island fantasy, specially designed by world-renowned architect Duccio Ermenegildo fusing authentic Palapa rusticism with contemporary elegance.

This unique estate comprises five living pavilions, presenting a delectable philosophy of beach living in tandem with glorious tropical environs. Erasing the distinction between indoor and outdoor living, a magnificent living room pavilion with exotic palapa thatched elements opens entirely unto stunning surroundings. Enchanting plastered walls dazzle in cheerful pops of Latin color, enhancing alluring seating arrangements that reconcile barefoot bohemian charm with minimalist elegance. Crisp interiors dazzle with contemporary precision and pared-down soothing palettes. Villa Vina's thoroughly uncluttered aesthetic is conducive to utter peace of mind and total rejuvenation. Rounded edge interiors, sleek tile flooring, and ultra-crisp linen upholstery curate an exceptionally seductive holiday ambiance, perpetually wafted by a balmy sea breeze and heady tropical aromas. An expansive multi-island kitchen is fully equipped with commercial-grade appliances offering endless opportunities for gastronomic exploration. Separate pavilions offer incredible privacy and comfort between the six bedrooms while maximizing interaction with the home's tropical oasis.

This exquisite Dominican luxury vacation rental immerses guests in a world of otherworldly calm and blissful relaxation. Glorious outdoors features are grounded by a stunning free-form infinity pool lined with soaring palms. Immaculate golf links are splayed before guests, with the unmistakable blue of the Caribbean shimmering in the distance.
