This wondrous vacation rental epitomizes 21st-century Caribbean luxury living.

The interiors are a compelling blend of urban chic glamor and tropical exoticism. Sleek lines and crisp angles shape spacious common areas, enhanced by immersive sliding glass walls. Glossy tessellated patterns adorn cobalt blue accent walls, adding a high-contrast motif to the well-appointed interiors. A beachy ambiance complements ultra-sleek cabinetry, shimmering countertops, and minimalist design. Light French oak flooring and soothing beige upholstery harmonize with the mesmerizing hues of the nearby beach. Picture-perfect island vistas are elegantly framed, enriching the luxury rental's breezy open concept living space. A perfect balance of laid-back sophistication and simplicity is achieved, featuring an open kitchen that encourages social interaction and casual gatherings. Sixteen magnificent bedrooms provide versatile accommodations for traveling families, including twelve king-sized suites and four bunkrooms that sleep up to twenty-four adults and twenty-four children in the utmost comfort and privacy.

The Coconut Grove Suites reaches its full potential outdoors.
