CHALET ASPEN

COURCHEVEL 1850 CHENUS, COURCHEVEL

Chalet Aspen is a charming alpine retreat steeped in the prestige of Les Chenus, one of Courchevel 1850's most coveted neighborhoods. Nestled among snow-laden pines with sweeping views over the surrounding peaks, the chalet sits within walking distance of the slopes. A short stroll from the chic boutiques, acclaimed restaurants and lively apres-ski of the village, this Courchevel luxury vacation rental offers headfirst immersion into the glamor of French alpine living.

Interiors present a glorious combination of ski lodge romanticism and Savoyard authenticity, with honey-toned pine paneling and exposed beam ceilings throughout. The living room gathers around a striking central fireplace, where plush grey sofas and a shaggy rug invite to relaxation. Nearby, a generous dining table beneath vaulted beams opens to an inviting kitchen dressed in traditional wood cabinetry. Spanning 3,767 sq.ft., the chalet offers six bedrooms accommodating 12 guests in utmost comfort and discretion. Each is wrapped in warm timber and classic red and white Alpine textiles, with some opening onto private balconies. Wellness takes center stage with a hammam, a sauna and an indoor hot tub, while a cozy media room and a home office complete the interior spaces. A ski room and a walk-in closet add effortless convenience while the private elevator makes moving around the four-story building a breeze.

Chalet Aspen's outdoors are defined by majestic mountain vistas, with carved timber balconies and a sunny terrace overlooking the snow-capped peaks. Gather for a glass of vin chaud after a day on the slopes, savoring the crisp alpine air and the golden glow of sunset over the valley. Within walking distance of the pistes, this luxury Chalet rental in Courchevel is the ultimate base for a winter escape.
