CHALET B PLACEHOLDER

COURCHEVEL 1850, COURCHEVEL

Chalet B is a striking contemporary retreat steeped in the prestige of Courchevel 1850, the most glamorous address in Les 3 Vallees. Nestled among snow-laden pines alongside the pistes, this luxury vacation rental pairs mountain exhilaration with world-class comfort. Chic boutiques, acclaimed restaurants and a famed après-ski scene await in the village, making Chalet B a tailor-made sanctuary for the most discerning clientele.

Interiors present a sophisticated fusion of ski lodge romanticism and contemporary European refinement, with dark steel-framed glass, warm timber ceilings and soft neutral tones. The light-filled living room gathers around a suspended central fireplace, where a plush sectional and cowhide rug face sweeping alpine views. Beneath a cascading glass globe chandelier, a long dining table ringed by caramel leather chairs sets the scene for convivial feasts, while a games corner invites chess by the window. The chalet offers seven bedrooms accommodating fourteen guests in utmost comfort and discretion. Bathrooms are serene sanctuaries of veined stone and wood, one with a freestanding soaking tub. The wellness area dazzles with an indoor pool, a sauna, a hammam, a massage room and a spa lounge, complemented by a fully equipped fitness room. A pool table and a ski room complete the roster of amenities.

Chalet B comes to its fullest expression on its terrace, where plush lounge sofas and sun loungers sit beneath towering pines. A bubbling hot tub and a crackling fire pit invite starlit evenings after a day on the slopes, while the stone-and-timber facade glows warmly against the snow. Spectacular natural beauty is paired with world-class amenities within this luxury Chalet in Courchevel.
