CHALET CRYSTAL AILE

COURCHEVEL 1850 CHENUS, COURCHEVEL

Chalet Crystal Aile is a spectacular ski-in/ski-out retreat, ideally positioned on the renowned Planet slope. Set within the prestigious Chenus area of Hameau de la Volaire, this exceptional residence forms part of an exclusive collection of three luxury chalets, just minutes from the center of Courchevel 1850.

Thoughtfully designed to blend traditional alpine character with refined contemporary style, the chalet offers an elegant yet inviting atmosphere throughout. Soaring vaulted ceilings with exposed timber beams create a warm and sophisticated setting in the upper-level living area, while expansive sliding glass doors open onto a generous terrace framing breathtaking mountain views. Arranged across five levels and served by a private elevator, the property offers exceptional comfort and seamless access throughout. The main living spaces are designed for both relaxed evenings and entertaining, with an inviting open-plan lounge centered around a fireplace, a formal dining area for up to twelve guests, and a fully equipped gourmet kitchen. The luxurious master suite features a spa-inspired bathroom and private office, while five additional double bedrooms each benefit from their own private shower room.

An impressive indoor wellness area provides a serene retreat after a day on the slopes, complete with a large swimming pool, fitness area, massage room, sauna, and hammam. Generous terraces further extend the living space outdoors, providing an exceptional setting for taking in the surrounding alpine scenery. Comfortable outdoor furnishings invite guests to unwind in the crisp mountain air, while the outdoor hot tub offers the perfect spot to relax after an exhilarating day of skiing.
