CHALET ELYA

COURCHEVEL 1850, COURCHEVEL

Chalet Elya is a striking contemporary chalet lauded for its coveted position in Courchevel 1850, one of the Alps' most prestigious ski destinations. Soaring timber beams and walls of glass frame the property, straddling the line between rustic alpine warmth and sleek modern design. This revered Courchevel luxury vacation rental is tailor-made for discerning travelers, offering guests the fullest expression of the region's alpine beauty against a backdrop of crackling fires and crisp mountain air.

Interiors present a refined fusion of ski-lodge romanticism and contemporary sophistication, with exposed timber beams and soaring vaulted ceilings that envelop the chalet's generous common spaces. A sculptural fireplace anchors the sunken living room, while walls of windows frame sweeping mountain views from nearly every angle. A sleek, stone-clad kitchen with a full-length breakfast bar flows easily into a striking dining area, built for long alpine feasts. Six bedrooms accommodate up to fourteen guests in individually appointed style, from a playful bunk room for younger guests to elegant suites dressed in soft neutral textiles and warm wood paneling. A home theater, game room, and dedicated spa lounge round out the chalet's amenities, ensuring quiet nights in are just as memorable as days on the slopes.

Chalet Elya comes to its fullest expression indoors, where an indoor pool and hot tub invite guests to unwind after a day on the mountain, framed by sleek glass walls and ambient lighting. A sauna and hammam offer further rejuvenation, while a fully equipped gym ensures guests can maintain their routine without ever leaving home. A dedicated ski room, indoor pool, and spa facilities set Chalet Elya apart as one of Courchevel's premier luxury vacation rentals.
