Chalet Everest is a stunning residence straddling the sublime slopes of Nogentil. A fantastic traditional construction encapsulates the enchantment of French Alpine folklore in pristine environs embraced in fragrant woodlands. Otherworldly Alpine vistas unfurl before Everest's authoritative positioning looking over boundless vistas of layered mountain silhouettes.

Wondrous interiors present a glorious fusion of mountain romanticism and contemporary chic artistry. The spectacular multi-level great room dazzles with voluminous vaulted dimensions enhanced by a network of buxom beams and trusses. Oversized windows, French doors, and custom clerestory accents flood the exceptionally open and inviting space in the radiant Alpine sun, animating a lovely breadth of organic textures, textiles, and finishes. Chalet Evia's breathtaking great room is crowned by a one-of-a-kind sculptural drop-down fireplace, swooping down superbly from the ceilings. This gorgeous four-sided hearth pivots gorgeously between the free-flowing living spaces and formal dining areas, curating an exceptionally intuitive space for intimate moments or lavish get-togethers. Offering three floors of elite living space, this revered Courchevel luxury vacation Chalet may accommodate up to 10 guests in four beautifully designed bedrooms, including a bunk bed for two kids as part of a family room.
