CHALET HELENA

COURCHEVEL 1850, COURCHEVEL

Chalet Helena is an exceptional alpine retreat set in the heart of Courchevel 1850, one of the most prestigious destinations in the French Alps. Perfectly positioned with direct ski-in/ski-out access, the chalet is immersed in a landscape of snow-dusted peaks, pristine slopes, and towering fir forests. Elevated above the valley, the setting offers sweeping mountain panoramas and immediate access to world-class skiing, while the refined atmosphere of Courchevel 1850 lends an unmistakable sense of exclusivity and winter glamour.

The interiors of Chalet Helena unfold across over 10,000 square feet over six meticulously designed levels, where contemporary alpine elegance defines luxurious living. The main living room forms the heart of the residence, centered around a striking fireplace and framed by expansive windows that capture uninterrupted mountain views. Natural materials, refined finishes, and bespoke furnishings create an atmosphere that is both grand and deeply inviting. Adjacent to this space, the dining room and kitchen are conceived for elevated entertaining, blending functionality with understated sophistication. The chalet accommodates seven beautifully appointed bedrooms, each conceived as a private haven with en-suite facilities, offering both comfort and privacy for discerning guests.

Outdoors, Chalet Helena extends its sense of indulgence through carefully designed terraces and seamless access to the slopes. An east-facing terrace invites tranquil mornings overlooking the alpine horizon, while the chalet's wellness and leisure amenities, enhance the experience beyond the ski day. A dedicated ski room with direct slope access completes this remarkable alpine residence, positioning Chalet Helena as a rare expression of modern luxury in Courchevel 1850.
