CHALET NIRVANA

COURCHEVEL 1850 BELLECOTE, COURCHEVEL

Chalet Nirvana is a traditional alpine haven lauded for its coveted position in Courchevel 1850, one of the Alps' most prestigious ski destinations. Timbered facades and snow-dusted balconies frame the property, straddling the line between rustic alpine warmth and refined mountain luxury. This revered Courchevel vacation rental is tailor-made for the discerning skier, offering guests the fullest expression of the region's alpine beauty against a backdrop of crackling fires and crisp mountain air.

Interiors present a warm fusion of ski lodge romanticism and traditional Savoyard charm, with exposed timber beams and rich wood paneling enveloping the chalet's generous common spaces. A stone fireplace anchors the living room, its glow catching plush sheepskin throws and soft neutral upholstery. The country-style kitchen flows easily into a long communal dining table, built for hearty alpine feasts after a day on the slopes. Six bedrooms accommodate up to twelve guests in individually appointed style, from a playful loft suite with its own staircase to cozy rooms dressed in classic checked and woven textiles. A game room complete with foosball and a cozy TV lounge round out the chalet's entertainment offerings, ensuring quiet evenings in are just as memorable as days on the mountain.

Chalet Nirvana reaches its fullest expression indoors, where a hot tub and traditional hammam invite guests to unwind after a day on the slopes, all framed by natural stone and soft ambient lighting. A sauna and fully equipped gym round out the chalet's wellness offerings, ensuring guests can relax or stay active without ever leaving home. A dedicated ski room, indoor hot tub, and spa facilities set Chalet Nirvana apart as one of Courchevel's premier luxury vacation rentals.
