CHALET PERCE NEIGE

COURCHEVEL 1850 NOGENTIL, COURCHEVEL

Chalet Perce Neige is an astounding residence redefining Courcheval ski resort glamor. Enjoying direct access to the Cospillot ski slope from the specially equipped ski room, this coveted chalet is at the epicenter of adrenaline-pumping alpine adventure. Lauded for its extraordinary design and unparalleled mountain views, Perce Neige finds itself in a class of its own.

A gorgeous two-story great room presents the epitome of high-fashion glamor and contemporary grandeur. Interiors flaunt an opulent palette of grey, beige, white, and silver. Fine light brown timber finishes toe the line between ski lodge romanticism and urban chic elegance. Oversized glass walls envelop a free-flowing, open-concept space. Clerestory windows and fantastical avant-garde chandeliers emphasize a cavernous sense of verticality. A focal modern four-sided fireplace appears to levitate, acting as a pivotal anchor piece between the immaculate low-profile living salon, formal dining area, and gourmet kitchen area. The formal dining area is flanked by an ultra-chic wet bar and wine cellar brimming with Bondian cool. This sophisticated space curates an astounding apres-ski venue beckoning lavish cocktail soirees or mass-scale entertaining after a hard-earned day on the slopes. Eight exceptional bedrooms accommodate 15 adults in impeccable comfort, luxury, and discretion.

Teeming with amenities, Perce Neige boasts a stunning relaxation and spa area with an indoor pool, Jacuzzi, hammam, and fitness room. Comprehensive Masseuse and therapist services double down on high-altitude relaxation in one of Courchevel's most remarkable luxury vacation properties.
