CHALET WHITE DREAM

COURCHEVEL 1850, COURCHEVEL

Spectacular Chalet White Dream is a stunning property perched in the coveted Cospillor area of Courcheval 1850, a mere 300 feet from the world-renowned slopes. This exclusive residence redefines alpine luxury, its glorious white timber facade seamlessly blending into its snowy wonderland surroundings.

Glorious wood interiors painted white dazzle in a delectable rustic patina. Vaulted exposed beam ceilings and rustic loadbearing scaffolding dazzle with uncanny glamor. The white painted timber complements dazzling grey and white furnishings reveling in alpine-chic extravagance. Plush modern sectionals garnished with fuzzy throws and Navajo patterned upholstery complement scintillating silver chandeliers and antique mirror decor. The free-flowing open great room features two fireplaces doubling down on winter wonderland coziness. Clerestory windows douse an exceptional formal dining room and fitted professional kitchen with winter sun radiance. The common spaces open unto a north-west facing balcony enveloped by mountain vistas. Fivesumptuous bedrooms grace this exceptional residence, accommodating ten in the utmost comfort and discretion. The sixth bedroom, located on the ground floor, is smaller and best suited for younger guests and can accommodate two more. Over 1400 sq. ft of prime living space are navigable via Chalet White Deram's private elevator, while the lower level boasts a second living space with a bar, home cinema, and an office.

A haven of rejuvenation and bodily bliss, Chalet White Dream offers an in-home swimming pool and jacuzzi set into a window bay. Guests may revel in striking alpine views from the vantage points of multiple balconies. An additional steam room, a gym, and a massage room for in-house therapies round off an astounding French Alpine retreat.
