VILLA OVO

FORTE DEI MARMI CENTER, FORTE DEI MARMI

Villa Ovo is a sophisticated coastal retreat nestled in the heart of Forte dei Marmi, one of Tuscany's most exclusive seaside destinations. Surrounded by lush greenery and set against a backdrop of refined elegance, this architectural gem offers tranquility just moments from the sea. Its privileged setting invites a lifestyle where nature and luxury coexist effortlessly, enhanced by the villa's fluid design that integrates indoor and outdoor living into a serene and secluded environment. The estate's L-shaped layout wraps around a central patio, placing a heated swimming pool at the heart of the residence and fostering a seamless dialogue between the interiors and the surrounding Italian landscape.

The interior of Villa Ovo embodies contemporary luxury, where dramatic spatial elements meet artisanal craftsmanship. A soaring double-height ceiling defines the living area, creating a sense of openness and grandeur. Nautical-inspired wood finishes, richly textured fabrics, and thoughtful design details establish an atmosphere that is both inviting and refined. The living space extends naturally into the dining area, visually anchored by a dual-sided central fireplace. Adjacent to it, a modern kitchen with a generous island caters to both everyday comfort and sophisticated entertaining. The residence encompasses five elegantly appointed bedrooms, two on the ground level and three above, each with a private en-suite bathroom. The master suite is complemented by a dedicated study that can serve as an additional guest room. Every bedroom boasts direct access to either a garden lounge or a private terrace, ensuring both intimacy and openness.

The villa's exterior architecture is marked by warm travertine stone and a rhythm of open and closed volumes, embodying timeless elegance. Expansive terraces, secluded garden corners, and built-in seating adorned with coordinating cushions echo the interior palette, extending the home's luxurious ambiance outdoors. A classified energy class A3 property, Villa Ovo is fully equipped with an advanced home automation system, blending beauty with modern functionality.
