CHALET PURE WHITE CRYSTAL

ST. MARTIN DE BELLEVILLE, REST OF FRANCE

Chalet Pure White Crystal is a stunning Alpine residence located in the heart of the charming resort village of Saint-Martin de Belleville. This French luxury vacation rental combines traditional and contemporary styles in curating an intoxicating mountain ambiance, at once cozy yet sophisticated. Embodying the pinnacle of French high-altitude living, guests are perched moments away from world-class slopes and outstanding fine dining experiences.

Spanning over 3000 sq. ft of prime living space across four floors, this Chalet is designed to accommodate ten guests in the utmost style, comfort, and discretion. The masterwork of quintessential Alpine romanticism and urban-chic sophistication, Pure White Crystal offers well-appointed spaces that beckon intimate moments with loved ones or apres-ski cocktail soirees. The interiors, with their refined wood grains and modern glass walls, are bathed in ample light, animating a selection of ultra-sophisticated furnishings in the great room. The sophisticated grey and white palette with scintillating silver accents presents the ultimate counterpoint to this French luxury vacation rental's frontier town rusticism, with textured stone brick accent walls. A contemporary fireplace divides the living room from the dining area, and doors open out onto a balcony offering magnificent mountain views. The five sumptuous ensembles, three of which boast private balcony access, ensure a peaceful and exclusive vacation experience.

One of the most enticing features of this ultra-lux Chalet is its comprehensive in-home spa facilities, located on the entire ground floor. The indoor swimming pool, Nordic bath, and sauna offer a world of pure relaxation, creating some of the most rejuvenating Alpine luxury oases. The spacious terrace, with its breathtaking mountain views, is the perfect spot for private moments or group gatherings, adding to the overall sense of rejuvenation and well-being.

REST OF FRANCE

ST. MARTIN DE BELLEVILLE

As Ernest Hemingway once said, "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a movable feast." This sentiment rings true not just for Paris but for the whole of France. It transcends being a country but a collection of feelings, memories, and dreams. Its charm lies in its ability to blend the old with the new, serving both as a muse and a mentor.
