CHATEAU DE VILLETTE

ILE-DE-FRANCE, REST OF FRANCE

Chateau de Villette is a magnificent historic chateau which stands as one of the most aesthetically immaculate properties in France. This extraordinary palace has been under the stewardship of the French government since 1942, recognized as a site of immense cultural and historical significance. Ideally situated, the Chateau is positioned deceptively close to the City of Lights, forty minutes from the Champs Elysees. The essence of 18th century France shines in all its Rococo exuberance and aristocratic pomp.

Roaming the halls of Chateau de Villette, it becomes apparent why the palace has inspired continual comparisons to Versailles. Within these walls lie perfectly preserved original decor and furnishings presenting some of the most delicate pieces of France's gargantuan cultural legacy. Glorious 17th-century parquetry, masonry, millwork, and fine art flaunt the zenith of human craft and artistry. Artifacts are plucked from the finest collections from Sotheby's, Christie's, and Royal provenance. Bask in otherworldy decadence and prestige, exploring salons designed by Jules Hardouin-Mansart, none other than Louis XV's chief architect. Witness original period pieces and objets d'art curated to perfection by revered interior designer Jacques Garcia. Each square foot of Chateau de Villette presents the culmination of Western civilization's crowning achievements in physics, arithmetic, architecture, and fine art. Guests are greeted with the octagonal Grand Salon, pivoting between the formal dining room and the grand staircase. Six luxurious suites populate the main Chateau with additional lodging options in the Chateau's left wing.

Set on 180 hectares of manicured woodlands lie two lakes, a magnificent cascade fountain, an 18th-century chapel glass home, an orangery, and more. This spectacular Castle rental delivers the purest distillation of the term "art de Vivre," immersing guests in the unadulterated luxuries of a different era. A fairytale venue for private events, conferences, high fashion photoshoots, or lavish pool parties, Chateau de Villette offers the very pinnacle of highlife living.

REST OF FRANCE

ILE-DE-FRANCE

As Ernest Hemingway once said, "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a movable feast." This sentiment rings true not just for Paris but for the whole of France. It transcends being a country but a collection of feelings, memories, and dreams. Its charm lies in its ability to blend the old with the new, serving both as a muse and a mentor.
