DOMAINE DE BAGATELLE

NOUVELLE-AQUITAINE, REST OF FRANCE

Domaine de Bagatelle is a luxury villa nestled in the heart of Nouvelle-Aquitaine, within the serene landscape of the Perigord Vert. This luxury vacation rental, part of the storied Domaine de Vieux Mareuil, offers elegant rural seclusion across expansive private grounds. Set within a former noble hunting pavilion, the estate has been thoughtfully restored with traditional limestone, terracotta tiles, and handcrafted woodwork. Surrounded by peaceful meadows and ancient trees, the domaine invites immersion in the quiet splendor of southwest France.

The interiors of Domaine de Bagatelle reflect timeless French charm elevated by contemporary luxury. Rich natural textures, vintage furnishings, and bespoke artisanal details define the aesthetic. The main living room features soaring ceilings, a grand wood-burning fireplace, and plush seating areas ideal for intimate gatherings. A fully equipped country kitchen blends rustic warmth with modern convenience, while the adjacent dining room accommodates festive meals and wine-paired dinners. The estate hosts up to 24 guests across 12 bedrooms, each styled with luxury linens and curated decor. Hand-laid stone walls, exposed beams, and antique accents create a refined yet cozy atmosphere. For entertainment, a stylish game room with a pool table offers a relaxed space to unwind and enjoy leisurely evenings.

Set on pristine Dordogne countryside, the luxury Domaine de Bagatelle offers panoramic valley views, manicured gardens, and a deep sense of privacy. Outdoor features include a heated swimming pool, tennis court and multiple shaded terraces for lounging or alfresco dining. The estate evokes effortless elegance and the quiet luxury of a life well lived.

REST OF FRANCE

NOUVELLE-AQUITAINE

As Ernest Hemingway once said, "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a movable feast." This sentiment rings true not just for Paris but for the whole of France. It transcends being a country but a collection of feelings, memories, and dreams. Its charm lies in its ability to blend the old with the new, serving both as a muse and a mentor.
