NOAM NORMANDY

NORMANDY, REST OF FRANCE

Noam Normandy is a distinguished chateau encircled by a tranquil moat and set amidst an expanse of verdant parkland. Originally crafted in part by the Knights of Nollent in the 17th century, this architectural masterpiece embodies the pinnacle of aristocratic refinement, seamlessly blending centuries of history with modern indulgence. Exuding an air of grandeur and tranquility, the estate offers an unparalleled retreat where noble heritage and luxurious living converge in exquisite harmony. From the valiant era of William the Conqueror to the reign of Henry II and Richard the Lionheart, Noam Normandy has been a silent witness to centuries of nobility. Today, it remains a sanctuary of timeless grandeur, where the echoes of the past linger in every stone, inviting those who enter to bask in the legacy of aristocratic excellence.

The castle's sumptuously designed interiors evoke a regal ambiance, adorned with opulent period furnishings, hand-gilded moldings, and intricate tapestries that narrate its storied past. Each room is a symphony of elegance, from the stately drawing rooms bathed in natural light to the formal dining hall, where deep sapphire hues and ornate detailing set the stage for unforgettable soirees. This Normandy luxury vacation rental boasts eight lavishly appointed bedrooms adorned with bespoke wallpaper, plush textiles, and antique accents, offering an atmosphere of absolute comfort and refinement. For moments of leisure, the private cinema invites guests to indulge in film screenings with refreshments from the fully stocked bar, while the dedicated game room and refined office space provide versatility for both entertainment and productivity.

Beyond its resplendent interiors, Noam Normandy's idyllic grounds unfold with an array of world-class amenities designed for serene relaxation and elite recreation. The heated swimming pool and elegant pool house offer an oasis of repose, while the yoga pavilion, equestrian stables, and private tennis court ensure every moment is steeped in luxury. Meandering forest trails and manicured gardens invite quiet contemplation, where the whispers of history intertwine with the splendor of the present. Standing on land once revered by the Dukes of Normandy, this storied residence remains an enduring symbol of legacy and prestige.

REST OF FRANCE

NORMANDY

As Ernest Hemingway once said, "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a movable feast." This sentiment rings true not just for Paris but for the whole of France. It transcends being a country but a collection of feelings, memories, and dreams. Its charm lies in its ability to blend the old with the new, serving both as a muse and a mentor.
