THE HAVEN

SAGAPONACK, HAMPTONS

The Haven is a striking contemporary wood-paneled home Sagaponack home, well located off the Montauk highway in close proximity to the quaint commune of Bridgehampton and Gibson beach. Secluded on over three acres of magnificently maintained lawn, The Haven abounds in a pastoral feeling of calm and serenity.

The expansive six bedrooms 10,000 sq. ft. home is a feat of contemporary engineering infused with expert craftsmanship, producing an opulent home that pushes the boundaries of luxury residential living. The Haven doubles down on dimension; one feels humbled by the vast expanse of the interiors, the high vaulted wood ceilings, walls of glass, and broad stone fireplaces soaring the full height of the home. A harmonious marriage of fine materials and artful composition, the open concept great room ingeniously uses strategically placed walls to create a sense of immense space. Luxuriant wide paneled wood flooring and even the steel supporting beams are fashioned to exude sophistication and dimension. The kitchen is decked with state-of-the-art Bakes & Kropp appliances with an adjacent den. A master suite boasts access to an expansive deck and an exorbitant ensuite bathroom with a stand-alone tub and a walk-in shower.

Replete with amenities, The Haven features a 42' heated gunite mirror pool with infinity edge, waterfall, and spa adjacent to a two-story pool house with a kitchenette, full bath, loft, basement, plus an outdoor shower.
