# VILLA ARIADNA

BRIDGEHAMPTON, HAMPTONS

Villa Ariadna is a spectacular 15,000 sq. ft. contemporary home sprawled on a 1.5-acre lot, near the ocean coastline of South Bridgehampton, mere moments away from two pristine beaches.

Open first-floor communal spaces flow into one another; the great room, complete with a fireplace, seamlessly melds a luxurious living room and eat-in kitchen area. The kitchen features aesthetically pleasing island seating with top-grade appliances by Wolf and Sub-Zero. A morning room and family room with a fireplace exude hominess and romanticism. The playroom is located apart from the main gathering areas, giving the children plenty of space and discretion for activities. The luxurious VIP suite completes this floor. On the second floor are eight en-suite bedrooms along with the master suite. Villa Ariadna offers ten bedrooms, including a grand master suite with two luxurious baths and two walk-in closets, and a private balcony represents the pinnacle of comfort.

Guests may enjoy great outdoor living arrangements with comprehensive amenities, including a heated gunite pool and spa, a full outdoor kitchen, an outdoor dining terrace, and a rooftop deck with magnificent panoramic views of the ocean and Sagg Pond. For privacy and intimate gatherings, the plant-accented rooftop terrace offers expansive vistas and refreshing sea breezes. The home is protected by mature landscaping and two private gates.
