VILLA COLLEEN

SAGAPONACK, HAMPTONS

Villa Colleen is an astounding residence, boldly reenvisioning Hamptons luxury for the 21st century. The striking contemporary barn home is a veritable gem of Sagaponack South, utterly immersed in the region's pastoral romanticism and maritime charm. A leisurely promenade brings guests to quaint hamlets, farm stands, and spellbinding sandy coastlines.

Immaculate whitewashed interiors are the ultimate canvas for a smattering of ultra-plush sculptural seating and evocative postmodern artwork. Sleek lines and crisp vertices make up radiant common spaces flanked by oversized sliding glass walls. Oversized windows and clerestory accents curate an exceptional sense of permeability and airiness throughout the pared-down interiors. Harmonious and uncluttered, the home places emphasis on negative space, retaining a minimalist sensibility without the austere association. Natural light animates the home's pristine shimmering white surfaces while a grounding beige and sand-toned upholstery inflect an irresistible seaswept character. A breezy free-flowing layout highlights an ingenious use of space, ideally suited for congregating and spontaneity. Villa Colleen presents seven fantastic bedrooms, with each of the masters flaunting a unique gradient of old Hollywood glamor, with lavish spa-inspired ensuites and plush quilted headboards. An ancillary bedroom is ideally suited for traveling staff. Additional amenities include a child's playroom, media room, and a garage gym.

A chic veranda space is smattered with stylish seating arrangements ideal for casual lounging caught up in summertime reverie or alfresco entertaining with loved ones. Lush verdant lawns are grounded by a spectacular heated swimming pool, offering the ultimate respite from the midday heat or the nighttime chill. This unique luxury vacation rental comes with a beach car beckoning fantastic adventures along the Hamptons' most famed coastlines.
