VILLA LENYNA

PORT JEFFERSON, HAMPTONS

Villa Lenyna is a spectacular residence tuned to the very pinnacle of Hamptons luxury living. This palatial modern estate claims a private peninsula at Port Jefferson, boasting unparalleled ocean vistas and magical sunsets. Follow a private staircase down the dune slope to a private coastline encapsulating 310 feet of beach frontage.

Measuring over 20,000 sq. ft of living space, Villa Lenyna delivers pure opulence between eleven bedrooms and eighteen bathrooms. Grandiose, artful, and classy, enter the estate through gold-accented doors opening to the glorious foyer with symmetrical spiral staircases. Cathedral-sized windows pour natural sunlight into the cavernous crisp white interiors, emphasizing an extraordinary sense of dimension and airiness. Minimalistic and contemporary, pristine white furniture pops with pastel and cobalt blue accents, matching the hues of the Atlantic visible through oversized windows. Glimmering wood floors appear endless in an ultra-sleek kitchen and dining area enveloped by bay windows. An in-house sauna, indoor pool with a waterfall feature, modern home theatre, recreation room, and gym are just some of the top-shelf amenities this palatial estate offers.

Dainty fencing runs the path to a vast amphitheater-shaped pool resembling a glorious public fountain. Serviced by a poolhouse, the area is surrounded by plush loungers, ideal for soaking in sunny afternoons. Villa Lenyna offers endless private terraces, sitting areas, and alfresco dining areas idyllic for lavish entertaining under the stars. A private helipad rounds off a truly one-of-a-kind Long Island vacation home.
