VILLA MARIAH

NAPEAGUE, HAMPTONS

Villa Mariah is a stunning Hamptons concept home conceived by esteemed architect Bill Hayes. This exemplary beach estate incorporates romantic sandy dunes, stretching out to a gorgeous stretch of coastline in Amagansett, offering an idyllic retreat amidst natural beauty and refined elegance. Seamlessly blending modern design with classic charm, this luxurious Hamptons vacation rental provides an exquisite haven for those seeking tranquility and sophisticated living.

A majestic symmetrical construction is lined with endless rows of blue-tinted glass, bringing quintessential Hampton's ocean views inside. Radiant whitewashed interiors present the epitome of contemporary beach house elegance, with sleek glass surfaces and scintillating metal accents animated by ample natural light. Plush, low-profile modern furniture is illuminated by a circular skylight, and the sophisticated space enlivened with choice gold-gilded postmodern decor. An incredible sense of airiness abounds throughout the minimally designed home. Villa Mariah's interiors are enveloped by the palettes of sand and the deep hues of the Atlantic. A glassed-in solarium dining area evokes a delectable zen ambiance. Between 7,900 sq. ft of living space across three floors, there is no shortage of seating and entertaining areas. Seven beautifully designed ensuite bedrooms accommodate up to sixteen guests in utmost comfort. The seventh bedroom has bunk beds, which are great for kids.

The home convenes around a beautiful swimming pool, with an integrated jacuzzi enveloped by loungers and plentiful covered and uncovered deck space. This glamorous area is enclosed by verdant shrubbery, with the iconic dunes peering on the other side. A magnificent mansion, this Hamptons luxury vacation rental boasts lovely alfresco dining areas embraced by the refreshing sea breeze.
