VILLA PRISCILLA

NORTHWEST HARBOR, HAMPTONS

Villa Priscilla is a stunning estate found at the crossroads of tradition and contemporary elegance. This Northwest Harbor home lies within arm's reach of Hamptons' pastoral charms, enveloped by trees for the utmost serenity and privacy. A mere half-hour drive separates distinguished guests from Hampton Bays and Montauk Airport.

Oversized French windows dominate a glorious double-height living room abounding in a high culture sensibility. Light-filled and airy, soaring teal-colored drapes echo the verdant hues of the surrounding landscape, while an immense Expressionist piece imbues the timelessly elegant space with a distinctly European flair. Traditional wainscotting harmonizes with the intricate window paneling and finely carved fireplace mantel, creating a cohesive and aesthetically immaculate interior. Adjacent to the living space lies an expansive French provincial kitchen, appointed with sleek, top-of-the-line appliances, custom cabinetry, and pristine white marble countertops. The kitchen opens into a gracious dining area, ideal for hosting elegant dinners or casual morning gatherings. A warm beige and white palette envelops the home, exuding understated sophistication and complementing the rich wood flooring throughout. Every detail has been curated to promote comfort and refinement. Villa Priscilla features seven beautifully appointed bedrooms, each designed to offer privacy and tranquility, comfortably accommodating up to 15 guests. Further elevating the experience, the estate includes a state-of-the-art in-home movie theatre and a private gym, catering to both leisure and wellness.

Villa Priscilla features exceptionally manicured grounds, including a heated gunite pool. A firepit surrounded by plush seating arrangements is an excellent venue for soaking in soothing birdsong and the sway of trees in the wind. Fusing pastoral bliss, high culture refinement, and world-class comfort, Villa Priscilla is one of the Hamptons' premier luxury vacation rentals.
