VILLA PRISCILLA

NORTHWEST HARBOR, HAMPTONS

Villa Priscilla is a stunning estate found at the crossroads of tradition and contemporary elegance. This East Hampton home lies within arms reach of Hamptons' pastoral charms, enveloped by trees for the utmost serenity and privacy. A mere half-hour drive separates distinguished guests from Hampton Bays and Montauk Airport.

Oversized French windows dominate a glorious double-height living room abounding in a high culture sensibility. Light-filled and airy, soaring teal-colored drapes match the verdant colors outside, while an immense Expressionist piece imbues the timelessly elegant space with a European flair. Traditional wainscotting matches the window paneling and fireplace mantel, rounding off an aesthetically immaculate interior. An expansive French provincial kitchen features sleek top-of-the-line appliances and white marble countertops. A warm beige and white theme coats the interiors enveloping the space in an inviting radiance complimenting the warm wood floors. Between 7,500 sq.ft. this luxurious Hamptons mansion offers seven spacious bedrooms comfortably accommodating up to fifteen guests. This gorgeous estate presents extensive top-shelf amenities, including an in-home movie theatre and private fintess room.

Villa Priscilla offers three acres of exceptionally manicured grounds with a 50 X 20 foot heated gunite pool. An additional basketball court on the premises promises spontaneous recreation and fun with family and friends. A firepit surrounded by plush seating arrangements is an excellent venue for soaking in soothing birdsong and the sway of trees in the wind. Fusing pastoral bliss, high culture refinement, and world-class comfort, Villa Priscilla is one of the Hamptons' premier luxury vacation rentals.
