VILLA SANDCASTLE OF BRIDGEHAMPTON

BRIDGEHAMPTON, HAMPTONS

Villa Sandcastle of Bridgehampton is an astounding manor abounding in aristocratic pomp and timeless high culture elegance. The expansive property claims over eleven acres of immaculately manicured lawns, a short distance from the Mecox beach shoreline. An idyllic luxury vacation rental, Sandcastle stands shoulder to shoulder with Bridgehampton's most exquisite properties.

Wide arched doorways and stunning wainscotting present a lavish foyer leading to the open concept common space. A radiant white living room dazzles with deep grooved coffered ceilings and traditional wainscotting. Spectacular saturated Pop art grounds the space in postmodern refinement, harkening to the enduring legacy of the region's most acclaimed artist, Roy Lichtenstein. Stately and magnificent, the sublime crisp interiors are symmetrical, with contemporary seating arrangements between two opposing fireplaces. This common area opens unto a glorious pillared veranda looking out on the grand estate. A regal twelve-seat dining table abounds in early 20th-century aristocratic elegance garnished with a focal crystal chandelier. Cobalt accent walls in the dining room lend a contemporary edge to the traditional space. Spacious and airy, no expense is spared for the home's eleven bedrooms. With an incredible 25,000 square feet at its disposal, palatial level luxury is afforded to each private chamber. Outstanding amenities include a walnut library, ten-seat theatre, mudroom, in-home bowling alley, basketball court, and full-on spa with a jacuzzi, sauna, steam, and massage room.

Majestic outdoors include a sunken tennis court, pergola, 20 X 60-foot gunite pool, and an oversized hot tub. Serene tranquility and privacy invite guests to feel the hours whizz past lounging poolside, frosty cocktail in hand. An additional baseball field and treehouse prove delightful for young and old. Villa Sandcastle of Bridgehampton presents the Hamptons highlife at its' most exceptional.
