## VILLA SHANNON

BRIDGEHAMPTON, HAMPTONS

Villa Shannon is an astounding contemporary luxury rental that redefines oceanside living. With 125 feet of pristine ocean frontage, this striking edifice seamlessly blends brash post-modern design with enchanting natural surroundings. The geometric facade of the modern beach house offers captivating views in all directions, from Saganock Pond to the Atlantic Ocean.

Sleek lines and vertices create scintillating sculptural interiors that dazzle with stature and refinement. The ambassadorial foyer features glossy white finishes, luxuriant oak, a cantilevered glass-railing staircase, and an elevator serving all levels, exuding the prestige of the world's finest art galleries. The regal triple-height atrium, defined by sleek minimalism, enhances the sense of vertical space and airiness. A gorgeous neon sculpture adds a touch of glitzy cosmopolitanism. Shimmering surfaces and a decadent monochrome palette of radiant white, alabaster, beige, and sand manifest in outstanding high-end finishes, while glass walls embrace the Hamptons luxury rental, flooding the interiors with endless ocean vistas. The gourmet kitchen boasts Philippe Starck AXOR fixtures, Sub Zero refrigeration, and Wolf appliances, providing the ultimate workspace for culinary masters. Nine fantastic ensuite bedrooms offer comfort, discretion, and luxury for discerning guests.

The spellbinding exteriors provide ample shaded and unshaded alfresco areas, fully outfitted for all-day and all-night entertaining. The 3,450 sq. ft. deck features an 18 x 50 heated gunite pool with a Baja ledge, separate spa, and outdoor living room pavilion. The rooftop deck offers additional amenities, including two fire pits, pergolas, an outdoor bar, and a hot tub, providing the ultimate venue for soaking in awe-inspiring Hamptons panoramas.
