Glorious cavernous interiors present a delectable merger of country home romanticism and old-world aristocratic prestige. Classic and antique-inspired furnishings complement beautiful architectural details, from the coffered ceilings to the paneled walls. A glorious double-height living room flaunts a soaring stone fireplace with rustic charm, and plush mid-century sofas create an irresistibly familiar and warm environment. A fully equipped kitchen and breakfast nook facilitates spontaneity and congregating, placed between the living and formal dining room, seating ten. Seven sumptuous bedrooms continue an atmosphere of thoughtful luxury with ensuite bathrooms outfitted with traditional prints and silhouettes. This exemplary Hamptons mansion boasts a spa area, steam, massage, and games rooms, curating a robust relaxation and recreation itinerary.

Amongst five secluded wooded acres are a lovely heated pool and hot tub ideal for afternoon dips or late-night swims under an incredibly starry night sky.
