CALA CONTA DREAM

CALA COMTE, IBIZA

Cala Conta Dream is an unmatched Ibiza luxury vacation rental belonging to the exclusive gated community of Cala Conta. Embodying quintessential Balearic glamor, this revered luxury oasis is a short promenade from some of Ibiza's most idyllic sunset beaches. A haven of rejuvenation and reconnection with the seaswept elements, Cala Conta Dream is an entertainer's dream at a moment's notice from gorgeous coves and shorelines.

Interiors are a triumph of bohemian chic panache and contemporary minimalist. Sleek lines and crisp vertices sculpt gallery-like common and are complimented by exposed natural stone masonry, encapsulating an intoxicating dynamic of the urban and the organic. Ultra-svelte floor-to-ceiling walls and glass railings dazzle with modern precision in voluminous and vacuous places open to the elements and the radiant Ibizan sun. Soft sand tones and seaswept timbers fuse with streamlined cabinetry and countertops. This revered Ibiza luxury vacation Villa is wrapped up in a zen-infused less-is-more philosophy conducive to the most restful Island getaways. Polished floors and bleached wood curate a cool, calm living space, while the rustic dining table rounds off an incredibly laidback entertainment space. This winning motif penetrates Cala Conta Dream's exemplary five bedrooms; each flaunts lavish spa-inspired ensuites and coveted garden or terrace access. Four doubles can be split into twin beds for versatile guest accommodation. There is also a large cinema room and laundry facilities available.

This outstanding Ibizan luxury rental is embraced by manicured lawns and florid gardens. Sail-shaded spaces and sunbathing decks are within earshot of the summer kitchen and barbeque. The kids will love the trampoline, bikes, kayaks, and stand-up paddleboards beckoning family adventure. Wondrous vistas unravel before guests, with rolling fields meeting the expanse of the Mediterranean and the distant silhouettes of Illa des Bosc and Conejera.

IBIZA

CALA COMTE

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
