CAN GIRASOL

SANTA EULALIA, IBIZA

Can Girasol is an exquisite hillside retreat set within 25 acres of farmland and forest in Jesus, Ibiza. A masterpiece of traditional Ibicencan architecture infused with contemporary design, this south-facing estate offers sweeping views of the surrounding valleys and mountains. Built with natural stone, timber beams, and smooth white render, the residence embodies a seamless connection to its natural environment. Can Girasol capture the essence of refined island living—private, soulful, and undeniably luxurious.

Inside, the villa's 8611 square feet layout flows across three wings and a majestic tower, balancing grandeur with intimacy. Organic textures, sculptural furnishings, and curated art fill the interiors, while double-height ceilings and panoramic windows bathe each space in natural light. The expansive living room seats sixteen and features a working fireplace, sound system, and home theatre. A spectacular chef's kitchen, complete with marble surfaces and a professional pantry, opens onto the dining terrace for seamless entertaining. Seven serene bedrooms include the grand primary suite with a private terrace. Wellness amenities include a gym, sauna, massage room, and a cinema annex that can accommodate additional guests.

Outdoors, Can Girasol unfolds as a private sanctuary of terraced gardens, ancient olive trees, and 1,000 organic pomegranate trees. The 13.5-meter pool, flanked by a complete outdoor kitchen, bar, and shaded lounges, invites long afternoons under the Ibizan sun. Guests can enjoy the tennis court, yoga deck, ceremonial pavilion, and scenic walking or biking trails that meander through the estate. Every corner evokes serenity, offering an unparalleled setting for relaxation, celebration, and connection with nature.
