CANA MILENE

SAN JOSEPH / SAN JORGE, IBIZA

Cana Milene is an outstanding luxury complex brimming with quintessential Riviera glamor and prestige. A revered hilltop positioning delivers awe-inspiring vistas over Ibiza's southern coastline. An unmatched jumping-off point for discovering the Island's natural bounties, serene coves, and glamorous beach clubs, Cana Milene embodies Balearic luxury living at its finest.

Spectacular interiors present a glorious fusion of haute couture elegance and Ibizan glamor. Sleek lines and crisp vertices sculpt radiant whitewashed spaces embraced by glass walls and oversized openings. Polished precious stone flooring, scintillating mirror accents, and transparent swinging doors curate exceptionally airy trophy spaces suited for celebratory galas and lavish cocktail soirees. Catwalk glitz infuses with Island exoticism, with Cana Milene's generous floorplan smattered with evocative driftwood sculptures, abstract installations, and Southeast Asian statuettes imparting a delectable sense of intrigue and mysticism. Wide, sliding glass doors seamlessly navigate to the generous terraces spaces, effectively disrupting the distinction between indoor and outdoor space. Milene abounds with an exquisite sense of permeability and oneness with the exteriors, with nearly every corner of the lavish estate drenched in the larger-than-life sea and woodland vistas. A vast natural wood dining table, seating twelve, and a swathe of cool cream sofas look out over the pool and terrace. The estate's five bedrooms offer the pinnacle of comfort, discretion, and style, accommodating ten guests. Brimming with top-notch amenities, Sierra is outfitted with a splendid gym sure to please the athletic guest.

Hidden amongst the fragrant flora and manicured gardens lie shaded Balinese daybeds and lounge seating under romantic wooden pergolas. A dramatic infinity pool surrounded by rows of daybeds and sofa seating immerses guests in a world of unfettered bodily bliss and comfort. Multi-level terraces and a rooftop deck leave no vantage point unexplored in soaking in the sights or the rays. Shoulder to shoulder with Ibiza's most spectacular properties, Cana Milene promises a luxuriant Balearic getaway.

IBIZA

SAN JOSEPH / SAN JORGE

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
