CASA TYANE

CA'N CIRER, IBIZA

Casa Tyane is an ultra-modern home located 4km from Ibiza Town with panoramic views overlooking the famous Ibiza salt flats, Cap Falco, Playa den Bossa and the island of Formentera. Watching these amazing sights while lounging around generates a Caribbean vibe while staying on the Mediterranean coast, the perfect atmosphere to relax and rejuvenate from daily working stress.

Take the time for yourself and relax on the extended sofa lounges in the living room, watch your favorite movies on the 4K native projector surrounded by the state-of-the-art sound system while the sun bathes the room through the oversized glass windows. Get ready for showstopping meals prepared in the fully equipped quality kitchen with a large oven, generous cooking area with 6x induction fields and a breakfast bar near the adjacent dining table. Enjoy a drink from the bar, outfitted with all paraphernalia needed to produce your favorite cocktail while relaxing in front of the large fireplace during long winter evenings. This enchanting luxury residence features five sumptuous bedrooms accommodating ten guests in the utmost comfort, style and discretion. Take advantage of all the amenities this home has to offer, starting with the envious entertainment room and extending to the fully outfitted indoor and outdoor exercise area.

Casa Tyane is enriched by lovely gardens, palm trees, and a large swimming pool with a beach effect gently sloping into the pool, while a smaller, hated one is a perfect place for the little ones to have all the fun. Enjoy the green lawns and palm trees surrounding dining the villa and the pool area as a backdrop and the gorgeous views on top. Oversized chill-out areas, table tennis, al fresco dining, and much more await you for a perfectly balanced day in the sun.
