## CASA VELLA

PUIG MANYA, IBIZA

Casa Vella is a spellbinding modern Mediterranean retreat brimming with quintessential Ibizan glamor. Located only a short walk from the beach and on the outskirts of Ibiza Town, this Villa is a rare gem, providing first-class accommodation in close proximity to the Island's notoriously boisterous nightlife. The estate's coveted hilltop perch delivers captivating vistas over Almudaina Castle and Talamanca beach.

Gorgeous interiors present a stunning marriage of postmodern eclecticism and minimalist glamor. Radiant white interiors fitted with wide openings and scintillating floor-to-ceiling corner windows offer the ultimate canvas for a smattering of gorgeous decor and furnishings fusing form and function. Chic low-profile sofas and two brocade chairs convene around a striking console table bedazzled with precious stones. Everyday objects are shrouded with an uncanny artistic sensibility, while evocative large canvas abstract paintings impart a delectable art gallery prestige. A scintillating galaxy reveals itself in the gourmet kitchen's spellbinding quartz backsplash, complementing the ultra-streamlined glossy white cabinetry. Precious stone finishes and opulent lacquered wood finishes are on full display throughout the home's simple yet opulent spaces, highlighting the beauty of the home's composition, proportions, and design. Casa Vella offers six sumptuous ensuite bedrooms and eight additional service rooms, brimming round-the-clock service to exceptional heights. This home features outstanding wellness facilities replete with a hot tub and steam room.

## IBIZA

PUIG MANYA

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
