VILLA ELENA

VISTA ALEGRE, IBIZA

Villa Elena is a stunning property lauded for incomparable sea views and a comprehensive suite of luxury amenities. This revered property boasts a gargantuan property in the exclusive Vista Alegre development, pairing exceptional discretion with a boundless sense of freedom. Villa Elena's coveted Southcoast perch brings guests a short distance from exclusive beach clubs, white sand beaches, and pebbly coves, characteristic of the stunning shoreline.

This beautiful Ibiza holiday home is a unique fusion of Mediterranean tradition, Italian expressionism, and natural environment. The spacious, light-filled interiors take an understated approach to luxury; natural wood, original artworks, irregular board-formed concrete ceilings, and jaw-dropping views. The common room is lavishly decorated by cozy chill-out space inside, with two matching arcs of creamy sofas. Vast sliding glass doors connect the inside and outside spaces, ensuring total immersion into magnificent views. The kitchen presents a combination of sleek units and stainless steel, professionally equipped and perfectly set up for entertaining. Guest accommodation is split over two floors, with seven double bedrooms sleeping fourteen adults and a fabulous children's room with four single beds divided between two bunks. The beautiful master suite enjoys the upper terrace and magnificent views over the mountains and the sea. The view from the jacuzzi bathtub is a bit special.

Built around a central fulcrum, the tiers of terraces reveal a magnificent view across the tops of tall pines to the sparkling Balearic Sea. The exteriors are enriched by two pools on different levels, a bar area, and a circular al-fresco dining table, seating 24. Enjoy the colors of an Ibizan sunset as you watch the sun sink into the sea, an idyllic place to enjoy a meal with friends as the starsÂ twinkleÂ above.
