VILLA ELEPHANT HILLS

SANTA EULALIA, IBIZA

Villa Elephant Hills is an astounding luxury compound redefining coastal highlife living. Claiming an acre of lush tropical gardens and vast lawns, this vacation rental peers into the purest distillation of Balearic natural beauty. Spellbinding 180-degree vistas abound from a dramatic hilltop perch, overlooking the most spectacular stretch of Ibiza's east coast over the picturesque town of St. Eulalia.

A gorgeous selection of designer furnishings and decor elements infuse Mediterranean color and art gallery sophistication with a touch of seaswept glamor. Sleek lines and crisp vertices curate vast dimensions, matching the epic scope of the sea views it commands, with svelte Vitrosca minimalist windows. Enormous glass panels flaunt invisible frames, curating an ethereal sensation of continuity and oneness between indoor and outdoor spaces. Sprawling low-profile sectionals and chaise lounges are perfected in indulgent relaxation, convening around a concealed large screen smart television. The free-flowing open-concept common areas flaunt a superb designer kitchen outfitted with Gaggenau, Miele, and Smeg appliances. An industrial kitchen directly underneath takes gastronomic experiences to vertiginous heights. Sumptuous deluxe suites push the bounds of luxury living, accommodating guests in unmatched comfort, luxury, and prestige.

Wondrous resort-style exteriors resemble a choose-your-own-adventure garden of unfettered hedonism. Immaculate tropical arboretums, a professional barbecue wall, grand staircases, and even grander views make up an unmatched luxury vacation estate. Claiming fifteen acres of terrain, this compound offers endless deck space leaving no vantage point unchecked for soaking in the sights or the rays. A commanding swimming pool provides the ideal place to cool off, embraced by the balmy tradewinds beneath cascade showers.
