# VILLA MARELLA

VISTA ALEGRE, IBIZA

Villa Marella is a brash architectural masterwork brimming with contemporary elegance. Peeking from the lush wooded hillsides of the coveted Vista Alegre residential area, this luxury vacation rental commands spectacular sea vistas over the glistening turquoise waters and the rocky local coastline. An oasis of tranquility at a moment's notice from the Island's most enchanting coastlines of Es Cubells and Porroig, Marella offers a stunning portal into the Balearic highlife.

Outstanding interiors redefine the bounds of luxury residential living. Striking vertices, crisp lines, and evocative dimensions make up dramatic sculptural interiors brimming with the prestige of the world's finest post-modern art galleries. Brash vectors are paired with svelte sheets of sliding glass wall rendering the living space a meta work of art. A grandiose tableau evokes the grandest masterworks of some of the Riviera's most beloved residents, Pablo Picasso. Low-profile loungers and sectionals make up an avant-garde seating arrangement populated with rousing contemporary sculptures and installation pieces. Artful LED strips carve up the double-height ceilings, curating an exceptional nocturnal ambiance, ideally suited for intimate cocktail soirees or lavish celebrations. Spread over two floors, the open concept trophy home navigates a stylish designer kitchen and a separate professional kitchen bringing gastronomic exploration and epicurean indulgence to new heights. Seven sumptuous ensuite bedrooms accommodate fourteen guests in utmost comfort, discretion, and luxury.

Villa Marella comes to its fullest expression with its spectacular outdoors. Majestic trusses extend alongside an astonishing triangle-shaped infinity pool, jutting out dramatically from the home's cliffside perch. Ample shaded and unshaded deck spaces are ideally suited for leisurely afternoons lounging poolside, frosty cocktail in hand.
