# VILLA SAKURA

SA CARROCA, IBIZA

Villa Sakura is an astounding residence blending quintessential Balearic country charm and contemporary chic refinement. Revered positioning atop a commanding hilltop, perched over the Island's Southwestern corner, delivers unmatched sea vistas. Unobstructed panoramas of the glittering Mediterranean, Salinas, Formentera, and Dalt Vila, make for unforgettable sunset scenes each evening.

Spellbinding radiant white interiors simulate the prestige and sophistication of the world's premier post-modern art galleries. Playful sculptures and interactive pieces brim with verve and color, mitigating the cool austerity of the atrium. A gorgeous multi-level great room abounds with levity and open concept breeziness, oversized paneled glass walls bringing the lush outdoors inside. Pure and crisp walls offer the ultimate canvas for a host of one-of-a-kind furnishings and decor elements speaking to the pinnacle of contemporary chic design. Ultra-plush velour sectionals, sofas, and an ottoman dazzle in azure blue, offering an exceptional entertaining venue within easy reach of Villa's gorgeous outdoor deck space. Scintillating silver accents, lustrous lacquer wood finishes, and svelte internal glass walls emanate an impeccable aura of prestige and refinement. Six out of the seven bedrooms share vertiginous views over the sea in distinctly furnished chambers appointed to the highest aesthetic standards.

Exceptional exteriors span beautifully maintained, lush gardens, elegantly illuminated at night. Epic views are paired with intimate green spaces and dedicated chillout zones ideal for the whole family. A luxurious pool with unprecedented views and a children's play area, and an outdoor dining area with a pizza oven offers all the ingredients of an unforgettable afternoon.
