## **ANGUILLA**

**RENDEZVOUS BAY** 

Fringed by white-sand beaches, shaded by sea grape trees and swaying palms, Anguilla is a serene Caribbean island defined by its unhurried pace and natural beauty. The island's rich history begins with the Amerindians and Arawaks, whose presence still echoes in ancient rock carvings at Fountain Cavern National Park. With 33 beaches, crystal-clear waters, and coral reefs teeming with life, Anguilla invites quiet indulgence—whether you're sipping rum punch to the rhythm of live reggae or gliding across the sea to a nearby cay. Its flat terrain makes exploring by car, bicycle or quad bike both effortless and enjoyable.
