VILLA BLUE DIAMOND

WEST END VILLAGE, ANGUILLA

Villa Blue Diamond is a spellbinding beachfront super home claiming the scintillating white sands of Shoal Bay West. Commanding some of Anguilla's most serene and picturesque coastlines, this rare enclave of seaswept bliss satiates the ultimate tropical island fantasy. A striking architecture soars before majestic panoramas straddled between pure white beaches and lush jungle foliage, delineating a one-of-a-kind luxury vacation rental.

Sleek lines and crisp vertices sculpt majestic 21-foot-high spaces wrapped in panoramic glass and gargantuan clerestory accents. Monochrome purity meets playful beach romanticism in cavernous free-flowing interiors imbued with all-day sun and inexhaustible beach vistas. Oblique geometries and pillars curate Blue Diamond's unique permeable, polygonal shape, carefully conceived to interact with the glory of the great outdoors. An unparalleled sense of airiness runs through the vacuous common areas imbued with quintessential boho beach panache. An open mezzanine hovers before the breezy free-flowing common areas below, seamlessly conjoining the formal dining area, kitchen, and a custom semicircle bar. Exceptionally poised for post-beach downtime, cooking demonstrations, social spontaneity, and lavish cocktail soirees, Villa Blue Diamond delivers an exceptionally versatile space set to impress the avid entertainer. Elite features include a dedicated games room complete with a pool table, card tables, ping pong, a meditation room, and a private fitness area. This Anguilla beachfront luxury rental includes four glorious ensuite bedrooms with travertine marble fittings and larger-than-life sea vistas.

Villa Blue Diamond comes to its fullest expression with its outstanding outdoor amenities not limited to a heated swimming pool, twelve-person capacity hot tub, and plentiful lounge spaces. Soak picture-perfect sea vistas and delve into a world of unadulterated hedonism and sunkissed bliss. A tennis and volleyball court takes recreation to all new heights in this prestigious beachfront Anguilla luxury rental.

ANGUILLA

WEST END VILLAGE

Fringed by shimmering white-sand beaches shaded by coconut palms and sea-grape trees, Anguilla is a testament to the insatiable Caribbean spirit. The island's rich and varied history dates back to settlements by the Amerindians and Arawaks. Extraordinary prehistoric rock art discovered at the Fountain Cavern National Park is a testament to Anguilla's indigenous peoples. With its 33 beaches, the island is ideal for rest and relaxation. You'll relish sipping spicy rum punches in the mid-afternoon to live reggae beats on this laid-back holiday island. Unlike its neighboring territories, Anguilla's notably flat terrain is advantageous for getting around by car, bicycle, or quad bike. Crystal-clear waters and reefs offer spectacular snorkeling, glass-bottomed kayaking, and smooth sailing to tiny islets and atolls scattered offshore.
