VILLA KISHTI AT BLACKGARDEN

LIMESTONE BAY, ANGUILLA

Villa Kishti at Blackgarden is a breathtaking contemporary luxury rental ideally located in Anguilla's Shoal Bay. This stunning home features elegant, curved lines and an avant-garde design that seamlessly blends with the island's natural beauty. With a cove beach just a short walk away and the enchanting Blackgarden Bay only a five-minute stroll, this beachfront estate offers the perfect combination of convenience and serenity.

The Villa's stunning interiors showcase a captivating fusion of modern aesthetics with Asian sensibilities. Oversized windows flood the living area with abundant natural light, bringing life to the high-end upholstery. The sleek lines and refreshing white color palette create an ambiance of modern elegance, offering a serene escape from the outside world. Geometric decor, featuring sharp lines and artful accents, complements the contemporary design, taking Villa Kishti's aesthetic to new heights. The dining area seamlessly blends with the living space, allowing for delightful meals while staying engaged in conversation and entertainment. Each bedroom features its own ensuite bathroom, offering a tranquil and exclusive retreat for every guest. Stunning windows ensure that each morning greets you with a breathtaking view of the glistening ocean. This luxury vacation rental in Anguilla caters to both work and leisure needs with a thoughtfully designed office and exercise room.

The exteriors provide the epitome of relaxation and entertainment with impressive features such as a large infinity pool, a delightful grotto with a hot tub, and a refreshing outdoor shower. The angled and sloping multi-level roofs are signature features of the Villa, making it truly unique on the island. Surrounded by an atmosphere of tranquility and privacy, this exceptional luxury rental offers a one-of-a-kind experience that will soothe the soul and captivate all your senses.

ANGUILLA

LIMESTONE BAY

Fringed by shimmering white-sand beaches shaded by coconut palms and sea-grape trees, Anguilla is a testament to the insatiable Caribbean spirit. The island's rich and varied history dates back to settlements by the Amerindians and Arawaks. Extraordinary prehistoric rock art discovered at the Fountain Cavern National Park is a testament to Anguilla's indigenous peoples. With its 33 beaches, the island is ideal for rest and relaxation. You'll relish sipping spicy rum punches in the mid-afternoon to live reggae beats on this laid-back holiday island. Unlike its neighboring territories, Anguilla's notably flat terrain is advantageous for getting around by car, bicycle, or quad bike. Crystal-clear waters and reefs offer spectacular snorkeling, glass-bottomed kayaking, and smooth sailing to tiny islets and atolls scattered offshore.
