THE MILL STREET HOUSE

ASPEN DOWNTOWN, ASPEN

The Mill Street House is a luxury mountainside vacation rental nestled at the coveted base of Aspen Mountain, boasting direct ski-in access and lush alpine surroundings. This chalet is within walking distance of the town center, yet promises otherworldly serenity and unmatched exclusivity. A behemoth of alpine elegance, it pushes the bounds of mountain luxury with its sensational interiors and elevated lifestyle offerings.

Inside, sublime interiors present a masterful fusion of classic ski-lodge romanticism and contemporary precision. Vaulted ceilings soar above a tapestry of rich textures—from tufted textiles and supple leather furnishings to striking timber beams and textured stonework. Oversized glass walls frame cinematic views of the surrounding peaks, while the central fireplace—crafted from rugged natural stone—brims with snowed-in coziness. An intuitive open-concept floor plan, paired with an expansive chef’s kitchen and formal dining area, makes this property ideal for entertaining.

This exceptional Aspen vacation villa features nine sumptuous ensuite bedrooms accommodating up to 24 guests in sublime comfort, privacy, and style. Bespoke furnishings, indulgent linens, and curated art pieces elevate each room, while a dedicated entertainment level—complete with a full bar, pool table, and home cinema—ensures relaxation and revelry go hand in hand. The Mill Street House comes to its fullest expression outdoors, where a rooftop jacuzzi offers an extraordinary vantage point over Aspen’s iconic landscape. Whether sipping a morning espresso or a post-ski vintage red, guests are treated to a mountain panorama unlike any other. A triumphant exemplar of Aspen luxury vacation rentals, The Mill Street House is designed to dazzle even the most seasoned global traveler.
