VILLA SARAH

SNOWMASS, ASPEN

Villa Sarah is an extraordinary estate perched in idyllic natural environs offering the fullest expression of Colorado's savage beauty. Prestigiously poised ten minutes from Snowmass Village, this unique Victorian-inspired residence lies within a gated community spanning 6,500 acres of unspoiled woodlands. An immaculate ranch bordered by alpine trees extends to a private pier off Wildcat Reservoir.

The gorgeous interiors of Villa Sarah abound in luxurious ski chalet sensibilities and fine wood interiors, curating a cozy outback cabin feel. Designed by Linda Bell, each corner of this estate is loyal to an immaculate vision of alpine opulence. The living room is flanked by echelons of tall windows bringing in glorious mountain and reservoir views. Distressed leather and plush fabric seating arrangements curate a space of familiarity and comfort, embracing the focal natural stone fireplace. A sumptuous palette of red and burgundy textiles drape the wood interiors, creating an incredibly cozy ambiance. A spacious provincial-style kitchen abounds in traditional wood cabinetry, opening up seamlessly to an inviting seating area. A glorious wall of wood etageres presents a fine selection of literature adjacent to a dreamy bay window seating area graced with unobstructed reservoir panoramas. Each of the six bedrooms has a distinct personality, from Victorian-era sleeping chambers to an authentic log cabin-style bedroom. The lower level is chock full of amenities, including a playroom, entertainment area, gym, and pool table.

While the indoors present plenty of indoor recreation, the outdoors are truly stunning. Quiet, serene, and majestic, the property has many outdoor seating areas to soak in priceless views. An outdoor dining set accommodates ten, equipped with a gas grill ideal for the steak masters among us. An outdoor pavilion leads down the winding steps to a waterfall feature and stone-bordered outdoor pool, setting Villa Sarah as one of Aspen's premier luxury vacation rentals.
