High-fashion elegance and seaside romanticism define this ultra-modern sculptural estate. Disrupting the distinction between indoors and outdoors, The Oasis Estate sets forth a bold vision of luxury living, embracing panoramic vistas, the balmy sea breeze, and the famously balmy year-round temperatures. Innovative, highly modular common areas retract fully, presenting a luxury Villa totally at one with the natural elements. Retractable glass creates an astounding sense of permeability in this revered beachview Moskito Island vacation rental, while creamy beige and navy tones capture the laidback Island spirit. A state-of-the-art chef's kitchen sets the scene for fantastic fine dining experiences, and versatile dining configurations seamlessly extend to the outdoor alfresco areas. The Oasis Estate sleeps up to 18 guests across four stories and three Poolside Pods in nine rooms, including a spectacular Master Suite with panoramic views. The ocean-facing gym has cardio machines, weights, and a Peloton bike. This Moskito Island luxury vacation home features endless entertainment, between a media and a game room with billiards, table tennis, and chess.

The infinity pool wraps around the property and includes a swim-up bar, partially submerged loungers, a wading area, and stepping stones leading from one end of the exterior. BRITISH VIRGIN ISLANDS

MOSKITO ISLANDS

Imagine a paradise where luxury meets seclusion, and billionaires like Richard Branson sail on pristine waters and trek untouched, breathtaking rainforests. This utopia, known as the British Virgin Islands (BVI), is a sought-after haven for the elite where exclusivity permeates every nook and cranny. Indeed, one of the most coveted experiences here is sailing; BVI is, after all, hailed as the "Sailing Capital of the World." Nestled in the northeastern Caribbean, the BVI comprises over 50 islands, cays, and islets, with the four larger ones – Tortola, Anegada, Virgin Gorda, and Jost Van Dyke – being the heart of this enchanting territory. Stepping into this ethereal archipelago, one is immediately captivated by its alluring landscape. Even the most seasoned travelers are in awe of its verdant rainforests, ivory beaches, and crystalline waters. They are even more impressed with the idea that luxury villas and yachts await in such untouched nature, promising an opulent time. And for those seeking ultimate seclusion, the more isolated Guana, Peter, and Necker Islands offer rustic hideaways where one can truly reconnect with the elements. The history of the BVI is as fascinating as its breathtaking landscapes.
