VILLA MALTA

ANTIBES, CANNES

Villa Malta is an elegant seafront estate set directly on the waterfront of Cap d'Antibes, offering a rare combination of privacy, immediate beach access, and panoramic Mediterranean views. Designed as a luxury coastal vacation rental on the Cote d'Azur, the 500-square-meter residence unfolds across three levels and is defined by refined architecture, arched openings, and natural stone elements. Its privileged location within walking distance of the old town, beaches, and local amenities makes it a highly desirable retreat in this iconic Riviera market.

The interiors feature a serene, light-toned design that blends understated elegance with natural textures and bespoke furnishings. The main living room is bathed in soft hues and framed by expansive openings that reveal uninterrupted sea views, creating a tranquil setting for both relaxation and entertaining. Adjacent to the living space, the dining room features a striking circular brown marble table that seats up to twelve guests, paired with sculptural lighting and arched windows overlooking the water. Two fully equipped kitchens support both family-style living and elevated private dining experiences. Accommodation includes five en-suite guest bedrooms, complemented by an additional children's bedroom on the top floor. Each suite is appointed with luxurious linens, refined finishes, and garden or sea-facing terraces. Luxury amenities include a pool house with a bar and kitchen, a security system, and ample parking.

Outdoors, Villa Malta is surrounded by manicured gardens, expansive terraces, and direct access to the sea, creating a seamless connection between land and water. The pool area overlooks the Mediterranean, while multiple lounge and dining terraces invite long days shaped by sun, sea air, and the sound of waves. Framed by palms and mature trees, the grounds evoke a sense of Riviera glamour and effortless coastal living.
